NOTICE TO THE COMMISSIONER OF CONSERVATION AND OTHERS

RE: 3000' Zone, Reservoir A
O Sand, Reservoir A
LAKE WASHINGTON FIELD
Plaquemines Parish, Louisiana

Application is hereby made on behalf of Swift Energy Company for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters relating to the above captioned sands and reservoirs, in the Lake Washington Field, Plaquemines Parish, Louisiana:

3000' Zone, Reservoir A

1. To establish rules and regulations governing the exploration for and production of oil and gas from the 3000' Zone, Reservoir A, in the Lake Washington Field, Plaquemines Parish, Louisiana.
2. To create a single drilling and production unit and to force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created.
3. To authorize an MER allowable for the unit so created
4. To designate a unit operator, a unit, and two alternate unit wells for the proposed unit.
5. To provide that the Commissioner may reclassify the reservoir by supplemental order without the necessity of a public hearing should such reclassification be warranted, based on evidence furnished to the Commissioner.
6. To consider any other matters which may be pertinent to this application.

The 3000' Zone in Reservoir A in the Lake Washington Field, Plaquemines Parish, Louisiana is defined as that oil and gas bearing sand encountered between the measured depths of 2995' (-2966 Subsea) and 3787' (-3758 Subsea) in the Swift Energy Company - Cockrell-Moran No. 194 well located in Section 18, Township-20-South, Range-27-East, Plaquemines Parish, Louisiana.

O Sand, Reservoir A

1. To dissolve the drilling and production unit created by Order 149-V, effective July 5, 1979 and simultaneously create a revised drilling and production for the O Sand Reservoir A.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the unit so created.
3. To designate the Swift-State Lease 212 No. 99 as a substitute unit well and Swift Energy Company as unit operator for the proposed unit.
4. To provide that the Commissioner may reclassify the reservoir by supplemental order without the necessity of a public hearing should such reclassification be warranted, based on evidence furnished to the Commissioner.

5. To consider any other matters which may be pertinent to this application.

The O Sand is fully defined in the Lake Washington Field by Order 149-V, effective July 5, 1979.

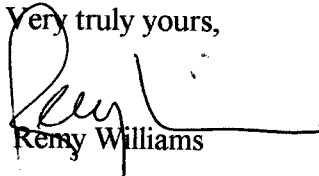

All pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY, from W. H. Robbins & Associates, 140 Rue Beauregard, Lafayette, LA 70508; Phone (337) 232 5004.

No conference was held relative to these matters as none was requested. However, an additional well has been drilled which adds a completion and causes a minor revision in the proposed unit for the 3000' Zone, Reservoir A. This revision is reflected in the plat attached hereto. Furthermore, the reservoir to be unitized is an oil and gas reservoir. Should an Interested Party wish to confer about the revised plan, please contact the undersigned.

Plats outlining the proposed units are attached hereto and made a part of this application. There is enclosed a list of names and addresses of the Interested Owners, Represented Parties and Interested Parties who are being forwarded these applications and plats. Such list is being forwarded ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of Interested Owners and Represented Parties, and Interested Parties will be furnished by the undersigned to any party requesting a copy of it. This list includes the names and addresses of all Interested Parties who are known to the applicant, after reasonable search. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check in the sum of \$1400.00, payable to the Office of Conservation, representing the required hearing application fees.

Very truly yours,

Remy Williams
